TITLES

EXT.TITAN IN SPACE

Titan is slowly moving in space.

INT.10 FORWARD

Pan of the room. Many people are on the set, talking, drinking and looking over reports.

CUT

Walker and Keru are at the bar.

WALKER: I know work relationships
are (sigh) difficult.

KERU: So what keeping you! Go on
ask her she's a good woman.

WALKER: But, look at her.

Camera focus on Christen Vale , who is looking at some PADDs

WALKER: Way out of my league.

KERU: (Humours) You have no idea
how 20th century you sounded there.

WALKER: I'll Pretend I didn't hear
that! (Annoyed)

KERU: Look I'll admit it's hard
for me to understand. But I know
this.

Keru gets down from his seat

WALKER: Know What.

KERU: You will kick yourself if you
ask her.

Keru walks off, leaving Walker by himself.

INT.RIKER'S QUARTERS

Riker is tidying the rooms, ready for the return of his wife. He stops when a bleeping sound starts. He walks over and sits down at the desk, a computer screen pops up.

CUT

The Screen has the federation logo on it for 1 second, then it changes to the face of Jean Luc Picard.

PICARD: Captain. Am I interrupting
something?

(MORE)

(CONTINUED)

RIKER: No, no captain I'm just er
er tidying for when Deanna comes
back.

PICARD: In other words stuffing the
rubbish under Bed.

Riker Laughs quietly

RIKER: You could say that. Any
reason why you called me?

PICARD: (Serious tone) Yes. Will,
Titan is being decommissioned.

RIKER: (SURPRISED) WHAT! But we've
only being out here for 3 years.
Why now.

PICARD: All Nova class ships have a
bug which has resulted in 5 ships
destructions.

RIKER: And the crews?

PICARD: Have you heard of the Luna
Class, Will? Because Titan is the 2
Luna Class vessel.

RIKER: Titan? But this is Titan.

PICARD: Sorry, the USS Titan A.

RIKER: Well that's a different
name. Starfleet hasn't sent me
conformation.

PICARD: They asked me to tell you.

RIKER: Is there one last mission?

PICARD: It wouldn't be a
decommission if there wasn't.
Details are being sent to you,
along with picture of your new
ship. Good Luck, Will. Give her a
good last memory. Picard Out.

FADES OUT

EXT.TITAN IN SPACE

Titan is at warp.

INT.BRIDGE

Riker is in the centre chair and and few other characters
are on set. Keru is at the Helm.

RIKER: Mr Keru, E.T.A to Genesis.

Vale looks at Riker, concerned.

KERU: 3 Hours sir.

VALE: (concerned) Isn't that where
Enterprise fought Khan?

(CONTINUED)

RIKER: (Smug tone) Yeah, it is. Why you scared?

VALE: NO! Just a bit...um... edgy that's all.

RIKER: (Surprised) Edgy. Oh! Oh! I know the Ghost of Khan!

Both Laugh

VALE: No, just because we lose contact with everyone and ever since... (Look Away from Riker and look back) You know why.

WALKER: Why?

Riker and Vale both look at him.

RIKER: I think she's talking about Commander Data and the Enterprise, Mr Walker.

VALE: (solemn) Yeah I am. (gulp)

RIKER: Mr Jaza, can you scan for ships in the area. (whisper) There won't be any ship which are going to Attack us.

JAZA: No Ships, Sir.

RIKER: See.

JAZA: (urgent voice) Hang on.

Jaza works for 2 seconds

JAZA: Sir, I'm picking up a ship. With Radiation.

RIKER: (Concerned) What type?

JAZA: Thalaron

RIKER: RED ALERT! ALL HANDS TO BATTLE STATIONS!

Klaxon go wild as Titan prepares to go to battle.

CU of RIKER.

FADES OUT

EXT.TITAN AT GENESIS

Titan is in orbit of Genesis. Alert Klaxon's are still going.

INT.BRIDGE

RIKER: Anything Rannual?

KERU: (Annoyed) Nope.

CU on JAZA. Bleeping sound.

JAZA: (shouting) SIR!

All of the characters look at the viewer.

EXT.OVER GENESIS

Reverse Zoom out of Titan, until Titan is Tiny.

Then a White outline of a massive ship begins to fade into the Empty Space, the ship is 30 times bigger than Titan.

The Camera pans up the sides the invaliding ship.

The Ship has 2 massively long wing on the sides, the middle section of the ship is the same grey- greenly colour.

Frontal view the ship, focus on the middle only.

The Middle of ship has a Logo of a Empire on it. The Logo is the Reman Resistance group. The Ship is finally shown as a whole ship.

INT. BRIDGE

CU of RIKER

RIKER: (SHOCKED BY THE SHIP) The
Scimitar

FADES OUT

EXT.OVER GENESIS

Titan and the Abrams are static in above Genesis

INT. BRIDGE

JAZA: It's not the Scimitar

RIKER: What there was another one.

KERU: (muttered) Looks like it. (to
RIKER) Phasers and Photons locked
on.

RIKER: (Calm) Not Yet. Let's find
why their here. Hail them

JAZA: (Bittered tone) Aye Sir.

(short gap) No answer.

(MORE)

(CONTINUED)

VALE: THEIR ABOUT TO FIRE! Move us
out of the way!

EXT. TITAN

Tracking shot of Titan, quickly moving out of the way of a green phaser blast.

INT. BRIDGE

RIKER: That's our Cue. Mr Keru, you
know what to do.
KERU: {Dark voice} Aye Sir.

EXT. TITAN V.S ABRAMS

Titan flies towards the ship and fires all it has. The Abrams, has a few explosions on it left and right wings. Then Titan does a 360 and fires at the back were the engines sit and blast them to hell. As Titan fires the last few photons it has at the bridge, a phaser blast hits one of the incells as Titan quickly gets away.

INT. BRIDGE

The Bridge has some pylons fallen.
RIKER: {SHOUTING} REPORT!
KERU: {Shouting back} WE'VE LOST
ENGINES AND WARP, HELM IS LOCKED.
WE'VE LOST CONTROL OF THE SHIP.

EXT. ABRAMS

The Ship explodes and has a warp meltdown. Throwing Titan into the ship into the atmosphere of Genesis.

INT. BRIDGE

Zoom of all characters faces. Finish on Riker's Face.
RIKER: OHHHHHH CRAP.
